Glyphosate cancer lit review file 5.18.16.xlsx

Hey Linda! Hope your surgery went well and you are recovering quickly. How well are you getting around? On track to return to the office next week?

Quick question for you – do you think Jackie can help out Khue with cleaning up this spreadsheet? It is definitely a simple task, but wanted to ask you first before going to Jackie with the request. Do you know if she has experience using Excel?

Thanks.

Neil

Can I recruit Caitlin to help with this spreadsheet? We are literally just going through and removing blank rows, should be an easy task.

Thanks,

Hi Khue,

Attached is the spreadsheet we discussed yesterday that we need someone to help clean-up by removing the blank rows between each entry. Once that's done, it can be sent back to me.

Thanks!

Monique
